

~ Hosted by your Mary Evans Elementary PTA~

As we celebrate the Mary Evans Elementary 10th year Anniversary, we're excited to announce our annual giving event!

All funds raised will go towards our continued efforts to provide the best supplemental education programs for our students and their families, as well as student enrichment programs, additional recess equipment and ongoing campus improvements.

With your support, we are confident we can meet our goal of \$20,000 this year!*

In return, our students will experience some wonderful rewards, have lots of fun, and we will all come together to celebrate our success in true red carpet style!

*We realize many families have been affected by the hurricanes and are currently helping those in need of assistance. Therefore, we are happy to be able to lower our goal this year, due to our ability to pre-pay for some 2017-18 programs out of last year's successful campaign funds.
